

Become a member of the Iowa Regional Lily Society

It is easy to introduce exquisite beauty, rich perfume and vibrant colors into your garden simply by planting lilies. True Lilies (genus *Lilium*) today are among our most fascinating, diversified and exciting flowers. They come in a host of colors and heights to accent your gardens and home.

Are you acquainted with the new lilies? Do you know where to buy the bulbs? How to plant them? What about their care and cultivation? We can help you! Check out our website!
