

Become a member of the Iowa Regional Lily Society !!!

It is easy to introduce exquisite beauty, rich perfume and delicate or vibrant colors into your garden simply by planting lilies. True Lilies (genus *Lilium*) today are among our most fascinating, diversified and exciting flowers. They are the Queens of the summer scene. . . new varieties appearing each year. . . new colors. . . new shapes. . . new ways to be used in gardens and for indoor arrangements!

Are you acquainted with the new lilies? Do you know where to buy the bulbs? How to plant them? What about their care and cultivation?

We can help you!
